

Student and Exchange Visitor Program

SEVIS by the Numbers: May 2006

This summary displays charts, graphs, tables and analysis of data collected from the SEVIS database. SEVIS Statistics Summary displays data as of May 10, 2006. All other data is as of the quarter ending March 31, 2006. When comparing SEVIS data to other data regarding non-immigrant students and exchange visitors, please keep the following in mind:

- SEVIS counts reflect a "point in time." Significant changes often occur from one month to the next.
- Other data sources often focus only on institutions of higher education, while SEVIS' reach is broader including secondary schools, vocational schools and other institutions outside of higher education.
